Hope you are doing great. I still remember the pleasant memories we had together during our last trip – it was wonderful. I'm writing to let you know that I am going to move to a new house next month. Of course, it is not an easy decision for me, because I love this house very much. However, I need to move out of it because its owner wants to renovate it.

I hope you can come to see my new house. There is a big garden in front of it so I can plant many trees and grow flowers. My new house has five rooms, a lawn and two large balconies. The best thing about it is that the area is quiet and surrounded by astonishing natural beauty. After living in a house in a busy area for nearly 8 years, this spacious house seems like a dream. Besides, the new house is built of solid wood, which I really like, because it can help the house keep at a comfortable temperature throughout the entire year.

I hope you can visit us soon. I am really looking forward to seeing you.

Warm wishes,

**Mary**
